

Confirmation Volunteer Hours

Service is an important part of the Catholic faith and teaching. As part of your preparation for Confirmation, you need to accumulate 10 hours of volunteer service in our parish between September 11, 2016 – January 31, 2018. Your hours must be in at least two different service areas within the church, and no more than 8 hours in one area may be counted toward your service.

Record service hours on the **Confirmation Volunteer Hours form**. Write a brief summary in “Description of Activity”, explaining how you spent those 10 hours. Include what you learned, and acquire parent and supervisor signatures. Form also on St. Christopher’s website:
